Enderby Parish Council Precept Information 2025/26

This leaflet provides you with a summary of the estimated income and expenditure for Enderby Parish Council in the forthcoming year and compares this with the budget figures for the previous year.

Unlike the larger District and County Councils the Parish Council receives no funding from Central Government of Business Rates, so the net cost of its services is funded entirely by the generation of income from the hire of its facilities and from rate payers.

The Parish Council face an increase in expenditure due to rising maintenance, utility and employment costs but is also aware of the very real day to day struggles faced by many of its parishioners particularly in recent years. With this in mind the Parish Council has not increased its hire fees. Burial fees will however increase slightly from the 1st April 2025. This year's Precept demand will equate to an increase in Council Tax Band D amounting to £4.72, which represents an increase of 3.48% from the current year figure and Tax Band D equivalent in 2025/26 of £140.50.

Enderby Parish Council continues to work hard on behalf of its parishioners and provides a large range of services for the benefit of the Community, including two Community Centres, St. Johns Community Centre and Enderby Civic Centre. Each of these buildings are available to hire for large functions, business meetings, and a wide range of group activities. The Civic Centre benefits from free Wi-Fi, Projector and full kitchen facilities. St. Johns Community Centre is tucked away in Packhorse Drive but offers ample parking and is ideal for children's parties and family gatherings due to its location and easy access from the Motorway.

The Enderby Community Library is registered as a Warm Welcome Space and this has been successful supporting parishioners and visitors to engage in events and activities in the warmth. Many activities continue to run during the course of the year and the Council's Library Volunteers continue do tremendous work on behalf of the Community. Each event run by the Enderby Community Library directly supports the continuation of the Library Service and the Parish Council is extremely proud and delighted by the achievements of its Volunteers and advancements made over the past 8 years. Much of the Library's expenditure is offset by the Library's own fundraising activities which ensures the service may be retained in the future. However, the Library is not able to become entirely self-funded.

For more information about group activities and events follow the Enderby Community Library Facebook Page: - https://www.facebook.com/enderbylibrary/.

The Parish Council continues to maintain a number of open space areas, Cornwall Street and Harolds Lane, in addition to a number of Children's fenced play areas. Aldeby Close and Southey Close Recreational Grounds are presently leased by the Parish Council from Blaby District Council but are anticipated that both Southey Recreational Ground and Jubilee Park will transfer to the Parish Council in the 2025/2026 Financial Year. The Parish Council continues to be committed to ensuring green open space in Enderby is retained for future generations and will acquire additional open space areas for the enjoyment of the Parish in the future.

In recent years the Council took ownership of Clarence Road Recreational Ground, Old Church Road Recreational Ground, King Street and John Street Car Parks. No charges were applied by the Parish Council for use of these Car Parks and residents of John Street and King Street are encouraged to park off street to ease congestion in these localities. The Council would respectfully request that care is taken when parking in the Council's Car Parks and the surrounding area so as not to cause a nuisance to residents.

Enderby Parish Council is the Burial Authority for Enderby New Cemetery. It first opened for interment 5th January 1993 and is anticipated to reach capacity in the not-too-distant future. Additional land was acquired 6th October 2022, and the Parish Council is keen to increase its funds towards the development to create a District Wide Cemetery. In the interim period, there will be ongoing maintenance of this land, specialist investigations and the Cemetery Working Party has begun to establish a vision for the District Wide Cemetery provision through collaborative working with both Leicestershire County Council in respect of Highways and Blaby District Council, the Planning Authority.

As Trustee of the King George V Playing Fields (Charity 1086033), Mill Lane, the Council continues to oversee land held in trust for the recreational benefit of the Parish. The Charity leases part of its land to the Enderby Bowls Club and the Enderby Lawn Tennis Club which generates a small income for the Charity. This is fully supported by the Parish Council as Enderby continues to benefit from a host of healthy activities. The Parish Council supports the Charity with an annual maintenance grant of £7,500 to cover the cost of grounds maintenance and equipment repair but hopes that in the future the Charity will prove to be profitable in its own right.

The King George V Playing Field Charity is able to support charity groups with the use of the Playing Field for a nominal fee. The Parish Council continues to host much larger community events which have proven to be extremely successful.
